About This Game

Aliens Attack is a short and frenetic VR game. Players will have to master their reflexes and skills to reach the goal: defend the pillars of knowledge while fending off the multiple waves of aliens that come to destroy them.

Aliens Attack was developed for the Polytechnical University of Catalonia, and was exhibited at the "Saló del ensenyament" in march 2018, where more than 2000 visitors played it. It is now available for the first time, totally free, for the Steam community.

Fast and intense action.

Fully immersive fun.

3 deadly alien forms.

2 unique weapons.

1 supershot PowerUp.

You can autofire, but try not to overheat your laser gun.

Use Steam leaderboards to challenge your friends worldwide.
