a09c17d780

English,German,Japanese,Polish,Russian,Ukrainian,Norwegian,Simplified Chinese,French,Traditional Chinese,Korean,Swedish

**You are a gifted child,
sitting in front of a TV screen.**

Is it a rage game? Nah, all is fair in this game. It just challenges your instincts
Eye strain hasn't hit me.. YET
This game also brings back nostalgia of the same type of quicktime games back then
Cyan's a piece of crap lul
You can't trust your predicability skills, just your reflexes
Overall, I recommend the game.
